Subject: For Your Awareness – FOIA release of your ethics documents

Hi Sarah,

As you may know, EPA has received numerous ethics-related FOIA requests. In some cases, these FOIA requests have specifically asked for your ethics-related documents. I am writing to notify you that OGC/Ethics has reviewed your responsive records and plans to release the following documents to the requestors on Tuesday, February 27th:

1. Your recusal statement signed November 8, 2017 [unredacted]
2. Your signed ethics pledge [unredacted]

If you have any questions, please let OGC/Ethics know.

Thanks,

Shannon
